CHC50125- Diploma of Early Childhood Education & Care

Qualification Overview

This qualification reflects the role of educators in early childhood education and care who work in regulated children's education and care services in Australia.

Educators at this level are responsible for designing and implementing curriculum that meets the requirements of an approved learning framework and for maintaining compliance in other areas of service operations. They use specialised knowledge and analyse and apply theoretical concepts to diverse work situations. They may have responsibility for supervision of volunteers or other educators.

(Ref: training.gov.au)

Pre Requisites:

Entry to this qualification is open to individuals who hold:

[CHC30121](#) Certificate III in Early Childhood Education and Care OR

[CHC30113](#) Certificate III in Early Childhood Education and Care.

Alternatively, individuals may hold:

An Australian diploma in Early Childhood Education and Care OR An Australian diploma or certificate III in Children's Services.

And Demonstrate at least 12 months of cumulative employment (full-time equivalent) within the last 5 years in a regulated education and care service in Australia, supported by verifiable evidence.
